

Acton-Shapleigh Youth Conservation Corps

2018 Erosion Control Crew Member Application

The Acton-Shapleigh Youth Conservation Corps (ASYCC) was founded in 2001 serving the towns of Acton and Shapleigh Maine. The ASYCC is committed to protecting the waterways of Goose Pond, Loon Pond, Square Pond, and Mousam Lake. The ASYCC provides education, community outreach, technical assistance, and courtesy boat inspections to improve water quality within the watershed.

The ASYCC is committed to hiring local knowledgeable employees that will install conservation projects that help minimize or eliminate erosion on properties within the Mousam Lake, Square Pond, Goose Pond and Loon Pond watersheds.

Below is a description of the job responsibilities and the conduct expected from Erosion Control Crew member:

- Must be a full time or part time seasonal resident of the Towns of Acton or Shapleigh
- Be 16 years old or able to obtain a work permit
- Have the ability and willingness to work outside in varied weather conditions
- Possess basic knowledge of the environment
- Conduct themselves with a professional and positive attitude as representatives of the ASYCC.

For more information about the ASYCC please go to www.asycc.com

Please fill out the attached application form completely. Submit the application via email to eccleader@asycc.com (preferred method); or print and mail to:

ASYCC
PO Box 47
Springvale, ME 04083

The ASYCC looks forward to hearing from you regarding the Erosion Control Crew Program.
