

Acton-Shapleigh Youth Conservation Corps

Erosion Control Crew Leader Application

The ASYCC is committed to hiring knowledgeable and dependable employees, while making a presence in the community, providing educational resources, and working together with the towns and property owners to protect the Mousam Lake-Square Pond Watershed. This position, as the Erosion Control Crew Leader, is an important part of the success of the ASYCC.

The Erosion Control Crew Leader will be responsible for the ASYCC Erosion Control Crew, which shall include, but is not limited to:

- Provide direct supervision to the crew
- Communicate directly and often with the ECC Program Director
- Successfully implement site plans designed by the ECC Program Director
- Administrative tasks directly related to the Erosion Control Crew: Payroll, mileage, weekly reporting to ECC Program Director, etc.
- Be available Monday thru Friday 8:00 am to 4:30 pm with the potential for an occasional weekend day or week night.
- Crew Leader will be responsible for driving the rental truck that will haul tools and equipment on a daily basis.

Requirements/Qualifications:

- Prior experience working with and/or for a Youth Conservation Corp is preferred
- The Erosion Control Crew Leader shall have the ability and willingness to perform physical labor and work outside in varied weather conditions
- Possess the necessary communication, organizational, and management skills sufficient to lead a high school age crew, interact with the public, and work under the direction of the ECC Program Director
- Must have a clean Driving record

Please fill out the attached application form completely. Submit the application via email to ecclleader@asycc.com (preferred method); or print and mail to:

ASYCC - ECC Program Director
PO Box 47
Springvale, ME 04083
