Acton-Shapleigh
Youth Conservation Corps
Application for
Intern Crew Leader/Technical Assistant

The **Acton-Shapleigh Youth Conservation Corps** (ASYCC) is committed to protecting the waterbodies of Goose Pond, Loon Pond, Mousam Lake and Square Pond collectively known as the Mousam Lake-Square Pond Watershed. The ASYCC provides education, community outreach, technical assistance and courtesy boat inspections, in addition to installing erosion controls that improve water quality in the watershed.

The position of Crew Leader begins the last week of June and runs through the second week of August and is responsible for providing direct supervision to and work alongside 4-5 crew members. Duties include on the ground implementation of erosion controls that meet requirements of state and local permits; ensuring work is completed in a timely manner, managing weekly timesheets and mileage. Expectations also include direct communication with the ECC Director on a daily/weekly basis, along with daily site preparation and documentation (project work summary descriptions, and before/after pictures).

The position as Technical Assistant begins June 1st through August 31st but is negotiable. The Technical Assistant will provide landowners with a site assessment of existing erosion issues, recommendations to fix the issues, provide a report that includes cost estimates and cost share agreement along with local and state permit information/needs.

Hours as Crew Leader and Technical Assistant will be varied and the Intern will be switching between the two roles as directed by the ECC Director, depending on ECC project requirements and site assessment requests.

Please fill out the attached application form completely. Submit the application via email to program@asycc.com (preferred method); or print and mail to:
ASYCC - Program Director
PO Box 47
Springvale, ME 04083

For more information about the ASYCC please go to www.asycc.com.
